Nobody knows how to share like **Share Bear**. She is a friendly bear who knows how much fun it is to give some of her good things to others. She thinks that sharing is such a treat, that she shows it with her symbol—two heart-shaped lollipops!

There's always something funny going on wherever **Laugh-a-lot Bear** is. This silly bear gets everything mixed up but turns her little misfortunes and mistakes into lots of laughter for others. Her symbol shows what she really is—a star at giving others the giggles.

There's a very cute and slightly shy little guy whose name is **Bashful Heart Bear**. He's the bear who shows that you don't have to talk a lot to be extra nice. His tummy symbol quietly tells his story. It's a heart timidly hidden behind a cloud.

**Do-Your-Best Bear** is a Care Bear who dreams big and never gives up. Like his name says, he helps others put their best into everything they do. He's an upbeat bear who's always ready to say, "Great job!" His "aim high" attitude shows in his tummy symbol—a beautiful kite.

**Grumpy Bear** frowns a lot—that's his way to show us how silly we look when we frown too much. He also shows that it's okay to be grumpy sometimes. But even when we're grumpy, we're still loved, and we're reminded of that by Grumpy Bear's symbol—a rain cloud with heart-shaped raindrops.

**Surprise Bear** thinks new and unexpected things are fun. This bear helps others try out new and different things. Of course, she also loves surprise gifts and parties. Surprise has a surprising tummy symbol that says what she's about—a smiling star springing out of a jack-in-the-box.

Daydream Bear loves playing pretend. She shows how important imagination is for everyone. But with her funny little accidents, she also shows that it's important to pay attention, too. Her tummy symbol is a daydreamer's dream. It's a "spacey" heart-shaped planet surrounded by stars.
